

I Lift

(verse 1)

**I lift this child up to you, this child of God.
May she receive a touch from you, a touch from above.
Lord, move in her life. Lord, be her guide. I lift her up to you.**

(chorus)

**Now heal her Lord, all her body, mind, and soul.
And touch her Lord. To you, I pray that she moves close.
And bless her Lord. Bring a joy she's never known.
Heal her Lord. Touch her Lord. Bless her Lord.
(last) Keep her Lord.**

(verse 2)

**I lift this child up to you. This child of yours.
I pray that she will live for you and you keep her close.
Make her a bright light. Lord, use her life. I lift her up to you.**

(to chorus)

(Bridge)

**Lord, open her eyes.
Clear her mind to the wonder of your love.**

(to chorus)
