

Mountains Can Move

(verse 1)

**We all face our trials. We all confront each day.
Sometimes they stack so high, a mountain gets in our way.
But bad doesn't have to be so big. The fear can change to faith.
No mountain is too high for the hands of God to change.**

(chorus)

**Yes, mountains can move. Storms can be paralyzed.
Endless holes can be filled. Walls can tumble down.
(Last) So fall, walls fall. Move, mountain move.**

(verse 2)

**If we would just allow the gift of perfect faith.
If we could truly believe. And throw all our doubts away.
In faith, we can do anything. With him, we can be strong.
Nothing can stop us when, our strength comes from above.**

(to chorus)

(Bridge)

So move, mountain move! Stop, storm stop! Fall, walls fall!

(to chorus)
