

Here I Am

(verse 1)

Here they are, all in one. Pains and fears. Sins I've done.

Here they are. There they go.

Put them aside. Free my soul.

(chorus)

Alleluhah. Glory to the worthy one.

Honor to the holy one.

Praises to the Lord. Alleluhah.

(last) Alleluhah. Alleluhah.

(verse 2)

Here I am with reverence. A thankful heart to worship with.

Here I am. Here I go.

I bow my knee. Give my soul.

(to chorus)

(Bridge)

I kneel before the mighty God. My maker.

I kneel before my only God. My savior.

(to chorus)
