

So Glad

(verse 1)

I can't imagine how mighty you are.
Creating all things with just a thought.
Your power and strength are beyond compare.
Anything you will, no one can stop.

(chorus)

Oh, I'm so glad you're holy. And I'm so glad you're forgiving.
Yes, I'm so glad you're never wrong. So glad you are who you are.
So glad you are who you are.

(verse 2)

I can't imagine what life would be like,
If the maker of the universe was not involved in all our lives.
Giving of free will. Giving his life.

(to chorus)

(Bridge)

You're righteous yet patient. Powerful, yet caring.
Judging, yet faithful.

(to chorus)
