

I Will

When I start feeling down and lonely. When it
think I just can not go on. When all
feels like there is no end. When the burdens are so heavy, they start to
hope seems to fade away. When I need something to make me strong. When I
break all faithfulness. I will turn to what forever holds. I'll re-
need to build my faith. I will keep my eyes on what awaits. I Will
member prophecies told. I will imagine being there. I will go
look towards heaven's gate. I will imagine walking through, to what
on without despair.
waits for me and you.

I will walk on the streets of golden. I will never hurt again. I will
live in the mist of righteousness. Everlasting joy within. Singing
Halleluhah, Halleluhah, Halleluhah,
highest praise to him. When I

2. C DM C
To him who holds the key. To him who paid the
price for me. With him who sets me free.

3. DM G C DM G C
Highest praise to him. Everlasting joy within.
