

Just Sit Back

Now don't be so worried. Oh come on, stop your crying. You've
 Don't let time discourage you. He is there and knows what to do. He
 lifted it up to him, didn't you. And you know it's in his hands. I know
 will work it out in a perfect way. One you never dreamed could come true. See
 things seem worse everyday. Don't worry, it will be okay. It
 what he brings in your life. Everything will work out right. In
 may take time but things will change. So just relax in faith. Just
 his eyes its already done. So just relax and watch. Just

sit back and watch him work, now that it's in his hands. Just
 sit back and let him move. Sometimes slow. Sometimes fast.
 Watch events bring miracles. Watch how things change. Just
 sit back and watch him work. You will be so amazed.

When you feel hopeliness come to you, pray till it goes away. When you
 feel divine guidance, follow him. Never stray. Then
 you will be so amazed.
