

Something to Tell You

(verse 1)

There's something to tell you. Now listen carefully.

For in your life, it could change everything.

Not a myth or fable. It's just reality.

This is what you need to know to be set free.

(chorus)

Jesus is King. He's holy majesty. He's prince of peace.

And Lord of everything. Jesus is King. He's holy majesty.

And Lord of you and me.

(last) I said he's Lord of you. He's Lord of you and me.

(verse 2)

Believe it or not. It still is the truth.

Don't accept it and judgment falls on you.

Might as well rejoice; magnify his name.

No matter what you do, this fact remains the same.

(to chorus)

(Bridge)

Every heart will turn to him with complete faithfulness.

Every knee will bow. Every tongue will confess.

(to chorus)
